

Minimum Order Quantity	50 Kilogram
Form	Powder
Grade Standard	Agriculture Grade, Industrial Grade
Application	Pesticides, Herbicides, Fungicides
Purity	96%
Physical State	Crystals, Powder
Color	Blue
Packing Size	as per require

We offer **Commercial Copper Sulphate** that uses are in fungicide & dyes industries. These grades of this chemical is widely utilized in the cattle & poultry feed, agricultural, electroplating, fertilizer & pharmaceutical industries and also in various laboratories.

Chemical Specification:

- App - Blue Crystalline Solid (Big)
- Assay - 96.00% (Min)
- Copper- 24.50% (min)
- Clarity - 5% Clear Solution

Applications:

- As a herbicide, pesticide and fungicide
- As an analytical reagent
- In Chemistry education
